| WORLD | BIBLE |
|--|--------------|
| Reinforces the thought outward beauty is the most important beauty to obtain. | |
| The world encourages the mentality, "if you've got it, you should flaunt it." Women are told to dress seductively for attention. | |
| It's your body to do with as you please! | |
| To be admired you have to wear expensive clothes, hang with all the right people, use others to get what you want, date around, and flirt for affirmation. | |
